

When the unexpected occurs
A policy is just the beginning...

The merits of any insurance program, captive fronted or otherwise, are determined by the quality of the claims response. With AIG, captive reinsurers have access to our global network of specialist adjusters who understand the complex legal landscape.

Preparation, collaboration and communication are the key ingredients for the success of any captive program – and that includes knowing exactly how a program will respond in the event of a claim.

Our knowledge and understanding of applicable local laws and international conventions enables us to resolve claims quickly and effectively, delivering tremendous benefits to our clients.

AIG's captive fronting clients have full access to and benefit from our industry-leading claims teams located in over 150 offices globally, ensuring exceptional, consistent service anywhere in the world. We can mobilize our specialists across our expansive global network in a matter of hours to provide local claims support, respond at the scene and identify resources to help minimize downtime and limit business interruption. With decades of experience in identifying emerging risks and trends, we can help you manage your exposures and mitigate future risks with confidence.

The AIG Multinational Claims Advantage

Customer Focused

- Claims engagement teams embedded throughout the program lifecycle
- Proactive approach in which each claim is handled as a significant client event requiring timely communication, collaboration, and effective resolution aligned with financial, reputational, and business continuity priorities

Claims Specialization

- Claims assigned across all lines of business by degree of complexity, ensuring the right specialist is assigned to the right claim at the right time
- Seamless partnerships with local operations and third-party experts

Global Reach

- Central coordination across underwriting, clients, brokers, and claims to create global claims handling instructions ensuring alignment and accountability
- Claim payments available locally under local policies across our global network

Risk Management Tools

- Real-time, data-driven analytics from AIG's IntelliRisk® system* to help clients manage their total cost of risk and deliver risk management insights and strategies
- Customized network claims summaries and dashboards

American International Group, Inc. (AIG) is a leading global insurance organization. AIG member companies provide a wide range of property casualty insurance, life insurance, retirement solutions and other financial services to customers in approximately 70 countries and jurisdictions. These diverse offerings include products and services that help businesses and individuals protect their assets, manage risks and provide for retirement security. AIG common stock is listed on the New York Stock Exchange. Additional information about AIG can be found at www.aig.com | YouTube: www.youtube.com/aig | Twitter: @AIGinsurance www.twitter.com/AIGinsurance | LinkedIn: www.linkedin.com/company/aig. These references with additional information about AIG have been provided as a convenience, and the information contained on such websites is not incorporated by reference herein. AIG is the marketing name for the worldwide property-casualty, life and retirement and general insurance operations of American International Group, Inc. For additional information, please visit our website at www.aig.com. All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries and jurisdictions, and coverage is subject to underwriting requirements and actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property-casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.
