- (a) shall automatically have a **Discovery Period** of 60 days for no additional premium; and
- (b) shall be entitled to purchase a **Discovery Period** specified in Item 9 of the Schedule for the premium specified.

To purchase a **Discovery Period** quoted for by the **Insurer** pursuant to this Section 4.1(ii), the **Policyholder** must give written notice to the **Insurer** and pay the additional premium no later than 30 days after the **Insurer** provides the quote. There shall be no entitlement to purchase such **Discovery Period** after those 30 days.

(iii) A **Discovery Period** obtained pursuant to this Section 4.1:

- (a) shall incept at the end of the **Policy Period** if it is a **Discovery Period For Expiry** or at the start of the day immediately following the effective date of the **Transaction** if it is a **Discovery Period For Transaction**; and

(iv) For the purposes of this Section 4.1, directors and officers liability insurance which is taken out by the **Policyholder**, or taken out to insure substantially the same persons and organisations as this policy, and which follows this policy shall be regarded as a replacement of this policy regardless of differences between the terms of that insurance and the terms of this policy and regardless of whether that insurance is with the **Insurer** or any other insurers.

4.2 Retired Insured Persons' Lifetime Discovery Period

- (i) If, before or during the **Policy Period**, an **Insured Person** retires or resigns (other than by reason of a **Transaction** or of disqualification from being a company director), that **Insured Person** shall automatically have an unlimited **Discovery Period** for no additional premium unless this policy is, on expiry of the **Policy Period**, renewed or replaced with other directors and officers liability insurance which, if and when that other directors and officers liability insurance is not renewed or replaced, provides that **Insured Person** with a discovery period of at least 6 years, or includes an option to purchase a discovery period which would cover that **Insured Person** and last at least 6 years, from the time of that other directors and officers liability insurance's expiry.

If, with regard to that part of a **Claim** first made, or other **Insured Event** first occurring, during the **Policy Period** and which is maintained or occurs in a **Foreign Jurisdiction**, or to which the law of a **Foreign Jurisdiction** is applied, the insurance covers, definitions and exclusions (to be read together as a whole) of the **Foreign Policy** of that **Foreign Jurisdiction** would, if applied, provide broader cover for an **Insured Person's Loss**, loss or expense than the cover provided under the terms of this policy, then the **Insurer** shall apply the insurance covers, definitions and exclusions (to be read together as a whole) of that **Foreign Policy** to that **Loss**, loss or expense. However, this shall not affect the application of any specific coverage endorsement or exclusion endorsement to this policy nor the application of Section 5 (Cover for Subsidiaries and Transaction Run-Off).

If an entity described in (i) or (ii) immediately above fails one or both of the requirements at (a) and (b) immediately above, the definition of **Subsidiary** will nonetheless be automatically extended to include that entity for 60 days from the date of the acquisition or creation, provided that the **Policyholder** shall submit in writing to the **Insurer** the particulars of such entity prior to the end of the **Policy Period**. At the **Policyholder's** request and having received such information as the **Insurer** may require, the **Insurer** may extend the period of 60 days subject to any terms (including an additional premium) the **Insurer** may require.

Each sub-limit is, unless specifically stated otherwise, the total amount payable by the **Insurer** for all **Loss** which is subject to that sub-limit arising from all **Insured Events**, whether involving one or any number of **Insureds**.

The total amount payable by the **Insurer** under this policy for all **Subpoena Costs** and **Prosecution Witness Costs** arising from all **Subpoenas** and **Prosecution Witness Requests**, whether involving one or any number of **Insureds**, shall not exceed the Witness Assistance Separate Limit specified in Item 7 of the Schedule, which is separate from and not part of the **Limit of Liability**.

Amounts specified for the **Limit of Liability**, sub-limits and other limits are limits for all **Insureds** together, not limits per **Insured**.

9.2 Retention

With respect to each **Single Insured Event**, the **Insurer** will only pay that part of **Loss** which exceeds the **Retention**. The **Retention** is to be borne by the **Insureds** and must remain uninsured.

No **Retention** is applicable to **Non-Indemnifiable Loss, Crisis Costs, Reputation Protection Costs, Subpoena Costs** or **Prosecution Witness Costs**.

For a **Securities Claim** which is a **USA Claim**, the **Securities Retention** shall not apply to so much of the first USD 50,000 of **Defence Costs** as consists of **USA Securities Claim E-Discovery Consultant Costs**.

If, within 30 days of an **Insured Person** incurring **Loss** which is not **Non-Indemnifiable Loss**, that **Loss** is not **Indemnified** by a **Company**, the **Insurer** will pay it without applying the **Retention**. Then, within 30 days of that payment by the **Insurer**, the **Policyholder** shall reimburse the **Insurer** for all of that Loss which is within the **Retention**.

If, by reason of section 234(3) or 205 of the Companies Act 2006, an **Insured Person** becomes legally obligated to repay to a **Company** sums provided by the **Company** for payment of **Loss** covered by an Insurance Cover in Section 1 (Insurance Covers (Insured Person Loss)), the **Insurer** shall, promptly upon written notice by the **Policyholder** to the **Insurer** of that obligation and subject to the terms of this policy, pay to the **Company**, without applying the **Retention**, so much of those sums as the **Insurer** has not already reimbursed.

9.3 Other Insurance and Indemnification

This policy shall always apply excess over any other valid and collectable insurance (including any directors and officers liability, management liability, employment practices liability, environmental impairment liability, pension trustee liability, property, product liability or general liability insurance) or indemnity available to the **Insured** but not such other insurance as is expressly written to be excess over the **Limit of Liability** and not such indemnity as is from a **Company**.

9.4 Outside Entity Indemnification and Insurance

Cover under this policy for **Loss** of **Outside Entity Directors** shall always apply excess over (i) the amount of it that is **Indemnified** by an **Outside Entity**, and (ii) any valid and collectable insurance that an **Outside Entity** has for the benefit of its directors, officers or employees.

10. Claims

10.1 Notice of Insured Events and Circumstances

In this Section 10.1 references to **Insured Event** do not include a **Crisis**. The notice requirements for a **Crisis** are set out in Section 10.2 (Notice of a Crisis).

Loss arising from an **Insured Event** will be covered by this policy only if written notice of the **Insured Event** is given to the **Insurer** as soon as practicable, but in all events no later than:

- (i) 60 days after the end of the **Policy Period**; or
- (ii) with regard to a **Claim** first made, or other **Insured Event** first occurring, during an applicable **Discovery Period**, the earlier of:
 - (a) expiry of 60 days after that **Claim** is first made or other **Insured Event first** occurs; and
 - (b) expiry of 60 days after the end of that **Discovery Period**.

However, if an **Official Body's** prohibition prevents an **Insured** from giving written notice of an **Investigation** to the **Insurer**, this policy will cover, subject to all its other terms, **Investigation Costs** arising from that **Investigation** provided that written notice of that **Investigation** is given to the **Insurer** before expiry of 30 days from the prohibition ceasing and within 4 years after the end of the **Policy Period**.

An **Insured** may, during the **Policy Period**, give the **Insurer** written notice of any circumstances that the **Insured** becomes aware of during the **Policy Period** and which may reasonably be expected to give rise to an **Insured Event**. The notice must include, to the extent known by the **Insured** after reasonable inquiry, the reasons for anticipating the **Insured Event** and full known particulars as to dates, acts and any potential claimant concerned.

Within a reasonable time of giving written notice to the **Insurer** of an **Insured Event** or circumstances, the **Insured** must provide the **Insurer** with details in writing of any other insurance policy which may apply to Loss arising from the **Insured Event** or circumstances.

10.2 Notice of a Crisis

Crisis Costs arising from a **Crisis** are covered by this policy only if written notice of the **Crisis** is given to the **Insurer** within 5 working days of the time when any of a **Company's Directors or Officers**, governors, or General Counsel or Risk Manager (or holder of a position equivalent to either), first becomes aware of the **Crisis**.

Written notice of a **Crisis** will constitute written notice of circumstances referred to in the fourth paragraph of Section 10.1 (Notice of Insured Events and Circumstances) only if the **Crisis** may reasonably be expected to give rise to another **Insured Event** and if the written notice includes the details required by that paragraph.

10.3 How to Give Notice

All written notices to the **Insurer** required or provided for by Section 10.1 (Notice of Insured Events and Circumstances), Section 10.2 (Notice of a Crisis) or Section 10.5 (Defence and Settlement) must be sent to the postal address or email address specified in Item 11 of the Schedule.

The date of posting or emailing shall constitute the date that notice was given, and proof of posting or emailing shall be sufficient proof of notice.

10.4 Related Insured Events and Circumstances

If an **Insured Event** or circumstance is notified in writing to the **Insurer** as required or permitted by Section 10.1 (Notice of Insured Events and Circumstances) or Section 10.2 (Notice of a Crisis), then all subsequent **Insured Events** and circumstances that constitute a **Single Insured Event** with that notified **Insured Event** or circumstance shall be:

- (i) deemed to have been first made (in the case of **Claims**), to have first occurred (in the case of other **Insured Events**) and to have been first notified (in the case of circumstances) at the time when that notified **Claim**, other **Insured Event** or circumstance (respectively) was first made, first occurred or was first notified; and
- (ii) deemed to be notified to the **Insurer** at the time that required or permitted notice was given.

10.5 Defence and Settlement

Each **Insured** shall have the obligation to defend a **Claim** made against them. The **Insurer** shall be entitled, but not required, to participate fully in such defence and the negotiation of any settlement that involves or appears reasonably likely to involve the **Insurer** making a payment under this policy.

No **Insured** shall admit or assume any liability, enter into any settlement agreement or consent to any judgment without the **Insurer's** prior written consent. The **Insurer** shall not be liable for any liability, settlement, or judgment consented to by an **Insured**, for which the **Insurer** has not given prior written consent.

An **Insured** is allowed to report matters to an **Official Body** without the **Insurer's** prior written consent, but only if and when that **Insured** is not legally permitted by the **Official Body** to make a request for such consent. Having reported matters to an **Official Body** without the **Insurer's** prior written consent, the **Insured** shall give written notice of that report to the **Insurer** as soon as legally permitted to do so.

Each **Insured** shall:

- (i) with regard to an **Insured Event** or a circumstance notified pursuant to Section 10.1 (Notice of Insured Events and Circumstances), give to the **Insurer** such information, assistance and co-operation as the **Insurer** may reasonably require, including with regard to the investigation, defence, settlement or appeal thereof; and
- (ii) with regard to an **Insured Event**, or a circumstance which may reasonably be expected to give rise to an **Insured Event**, take reasonable steps to avoid or diminish **Loss**.

The failure of an **Insured Person** to give the **Insurer** information, assistance or cooperation as required in the preceding paragraph shall not impair the rights of any other **Insured Person** under this policy.

The **Insurer** will accept as necessary the retention of separate legal representation to the extent required by a conflict of interest between any **Insureds**.

With regard to a **Company's Claim** against, or **Investigation** of, an **Insured Person**, the **Insurer** shall have no duty or obligation to communicate with any other **Insured Person** or with that or any other **Company**.

Any payment of **Loss** by the **Insurer** shall be reimbursed to the Insurer, if and to the extent that it is determined that such **Loss** is not covered by this policy. The **Policyholder** and all **Insureds** to or for whom such uncovered **Loss** was paid shall be jointly and severally liable for making the reimbursement.

10.6 Provision of Insurer's Prior Written Consent

Wherever there is a reference in this policy to the **Insurer's** prior written consent (other than that referred to in Section 11.7 (Assignment)), the **Insurer** shall not unreasonably withhold or delay that consent.

10.7 Advance Payment of Costs

Except to the extent that the **Insurer** denies cover, the **Insurer** will pay costs covered by this policy promptly after sufficiently detailed invoices, including time, expense and narrative detail satisfactory to the **Insurer**, are received and accepted by the **Insurer**. The **Insurer** may not refuse to pay costs for the sole reason that the **Insurer** considers that conduct specified in Exclusion 6.1 (Conduct) has occurred until there is a judgment, adjudication or **Admission** referred to in that Exclusion.

10.8 Order of Payments

The **Insurer** will pay **Loss** covered under this policy in the order in which it is presented to the **Insurer** for payment. Should the **Insurer**, at its sole and absolute discretion, determine that the **Limit of Liability**, or a relevant sub-limit or other limit, will not be sufficient to cover all such **Loss**, the **Insurer** shall pay **Loss** in the following order:

- (i) an **Insured Person's Loss** which has not been **Indemnified** by a **Company**;
- (ii) thereafter, with respect to any remaining balance of the **Limit of Liability**, or such relevant sub-limit or other limit, the **Insurer** may, at its option, request the **Policyholder** to elect in writing either to stipulate the order and the amounts in which **Loss** is to be discharged, or to receive such balance to be held on behalf of any **Insured** who has incurred such **Loss**.

Payment of **Loss** in accordance with this Section 10.8 shall fully discharge the **Insurer** from its obligation under this policy to pay that **Loss**.

10.9 Allocation

If an **Insured Event** involves both covered matters and matters not covered by this policy or persons covered and persons not covered by this policy, the **Insurer** and each **Insured** shall use commercially reasonable efforts to determine, on the basis of the relative legal and financial exposures, how much of the **Loss**, loss and expense arising from the **Insured Event** should be fairly and properly allocated to covered **Loss**.

If the **Insurer** and an **Insured** cannot agree on allocation in accordance with this Section 10.9 within 14 days of any allocation issue first notified in writing to the **Insured** by the **Insurer**, they shall refer the determination to **Senior Counsel**, whose decision shall be final and binding on all parties. **Senior Counsel** is to determine the fair and proper allocation as an expert, not as an arbitrator. The **Insured** and the **Insurer** shall be entitled to make written submissions to **Senior Counsel**. **Senior Counsel** is to take account of the parties' submissions, but **Senior Counsel** is not to be fettered by such submissions and is to determine the fair and proper allocation in accordance with their own judgment and opinion. **Senior Counsel's** expenses in providing such determination will be borne equally by the **Insured** and the **Insurer** and any such payments will not erode the **Limit of Liability**.

10.10 Subrogation

Whenever the **Insurer** makes a payment under this policy in respect of an **Insured Event**, the **Insurer** shall be subrogated to the extent of that payment to each **Insured's** rights of recovery. Each **Insured** shall do nothing to prejudice those rights, shall take all steps that can reasonably be expected to secure and preserve those rights and to enable the **Insurer** to bring legal proceedings in the name of the **Insured**, and shall provide the **Insurer** with all other assistance reasonably required by the **Insurer** in the pursuit of those rights.

The **Insurer** will not exercise an **Insured's** rights of recovery against an **Insured Person** in connection with any **Insured Event**, unless it can establish that Exclusion 6.1 (Conduct), applies to that **Insured Event** and to that **Insured Person**.

10.11 Recoveries

In the event the **Insurer** recovers amounts it pays under this policy, the limits and sub-limits out of which those amounts are paid shall be replenished to the extent of the recovery less any costs of recovery.

Amounts recovered in excess of the **Insurer's** total payment under this policy (less any costs of recovery) shall be returned to the relevant **Insured**.

The **Insurer** assumes no duty to seek a recovery of any amounts paid under this policy.

11. General Provisions

11.1 Sanctions

The **Insurer** shall not be deemed to provide cover and the **Insurer** shall not be liable to pay any claim or provide any benefit under this policy to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose the **Insurer**, its parent company or its ultimate controlling entity to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the United Kingdom, the European Union or the **USA**.

11.2 Territory

This policy's cover extends, subject to all its other terms, to **Loss** arising from **Insured Events** occurring in any jurisdiction.

11.3 Severability of Application

- (i) With respect to the application to the **Insurer** for the **Insured Persons'** cover under this policy:
 - (a) no statement by or on behalf of an **Insured Person**, and no knowledge or information possessed by an **Insured Person**, shall be imputed to any other **Insured Person**; and
 - (b) no statement by or on behalf of a **Company**, and no knowledge or information possessed by a **Company**, shall be imputed to any **Insured Person**.
- (ii) With respect to the application to the **Insurer** for the **Companies'** cover under this policy, statements by or on behalf of, and knowledge or information possessed by the Chairman, Chief Executive Officer, Chief Financial Officer, General Counsel or a holder of a position equivalent to any of the foregoing, of a **Company** shall be imputed to that **Company**, and statements by or on behalf of, and knowledge or information possessed by, the holder of such position in the **Policyholder** shall be imputed to all **Companies**.

11.4 Composite Policy and Individual Interest

This is a composite policy. Each **Insured** is a party to their own, separate contract of insurance, as contained in or evidenced by this policy. Each **Insured's** contract insures them for their own individual interest.

11.5 Non-Avoidance for Insured Persons

Except for any fraudulent breach of the duty of fair presentation imposed by the Insurance Act 2015, the **Insurer** shall not avoid or rescind any **Insured Person's** cover under this policy, whether in whole or in part, and shall not exercise any other remedy against an **Insured Person** for breach of the duty of fair presentation.

11.6 Authority of Policyholder

The **Policyholder** shall act on behalf of all **Insureds** with respect to the giving or receiving of any notice provided for by this policy, the giving and receiving of notice of cancellation, agreement to cancel, the payment of premiums and the receiving of any return premiums that may become due under this policy, and the negotiation, receipt and acceptance of any endorsement to this policy. However, the foregoing shall not limit the ability of an **Insured** to provide a notice provided for by Section 10 (Claims). Further, if and when the **Policyholder** is in winding up of any kind, administration, moratorium, voluntary arrangement, administrative receivership or any other insolvency procedure of any jurisdiction, any **Insured** may give notice required by Section 4.1 (Discovery Periods) to purchase or request a **Discovery Period**.

11.7 Assignment

This policy and any rights under or in respect of it cannot be assigned without the **Insurer's** prior written consent.

11.8 Rights of Third Parties

No person other than an **Insured** shall have directly enforceable rights under this policy, whether pursuant to the Contracts (Rights of Third Parties) Act 1999 or otherwise.

11.9 Fraudulent Claims

If any **Insured** shall make a fraudulent claim under this policy, the **Insurer**:

- (i) is not liable to pay any part of the claim;
- (ii) may recover from that **Insured** any sums already paid to or on behalf of that **Insured** in respect of the claim; and
- (iii) may, by notice to that **Insured**, treat this policy as having been terminated as against that **Insured** with effect from the date of the fraudulent act, in which case the **Insurer** is not liable to that **Insured** for any relevant event occurring after that date and is entitled to receive and retain the full premium.

11.10 Non-Payment and Cancellation

This policy may not be cancelled by the **Insurer** except for non-payment of premium or by exercise of the **Insurer's** rights to terminate this policy for an **Insured's** fraudulent claim.

11.11 Governing Law

This policy and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the laws of England and Wales.

11.12 Disputes

Except as otherwise specifically provided in this policy, any dispute arising out of or in connection with this policy or its subject matter or formation (including non-contractual disputes) which cannot be resolved by agreement within 60 days, may be referred to binding arbitration by either party, upon giving 7 days' notice to the other, in the London Court of International Arbitration (LCIA), whose rules shall be deemed incorporated by reference into this Section 11.12 (Disputes), and the cost shall be borne equally between the **Insured** and the **Insurer**.

The **Insured** and the **Insurer** shall each name one arbitrator and the third shall be appointed by the LCIA. The language to be used in the arbitration proceedings shall be English. The arbitration shall be conducted by a panel of 3 arbitrators having knowledge of the legal and insurance issues relevant to the matters in dispute. The decision of the arbitrators shall be final and binding and provided to both parties, and the arbitrators shall not be asked, and shall not award attorney's fees or other costs.
