Claims Excellence

Being subject to a claim can be a challenging and disruptive experience. However big or small, our priority is to resolve a claim as quickly as possible.

Speedy resolution of straightforward claims

First-party property claims under £3,000 can be resolved quickly over the phone or via the internet with minimal documentation by our Express claims handlers (excludes claims with a Business Interruption element or recovery opportunity).

Specialised claims adjusters

By allocating claims into our three different centres of excellence, Express, Complex and Major Loss depending on their complexity, our customers benefit through the speedy settlement of more straightforward claims – whilst gaining the right expertise and focus on larger and more technically challenging claims.

In the event of a major property claim

AIG will confirm coverage under the policy as quickly as reasonably possible. Once coverage is confirmed, we promise to provide immediate working funds of 50% of our share of the agreed estimate within 7 days for property damage/repairs, clean-up costs and extra expense/increased cost of working.

Experts in liability claims

AIG has been writing employers' liability and general liability risks for over 50 years. Our highly trained in house claims teams are experts in injury, product recall, disease liability and fraud.
