Through the AIG Travel Assistance App

Whether it's prior to travel, during the trip, or after the return home, our secure, member-only assistance app provides travelers with convenient access to in-depth travel, security and health information 24/7/365.

One Touch 'Help' Button connects you directly to emergency travel assistance.

Claim Notification Tool means you can notify claims on the go, uploading photos and documents from your phone.

To access the mobile app, go to the Apple App Store or Android Play Store from your smartphone and search for AIG and tap on AIG Travel (you must be connected to Wi-Fi or cellular network). The app is only available on smartphones – not tablets.

You must be a registered user to access the mobile app. For full instructions on how to register, visit www.mylifeline.co.uk and visit the Registration Guide Section to watch a video tutorial.
