

## CyberEdge® Communications Platform

Your AIG Cyber Insurance policy includes access to the dynamic CyberEdge Communications Platform, powered by Cygnvs, which allows you to report a claim, initiate access to CyberEdge loss prevention services, and stay connected to expert industry news and product updates.

- The platform is an off-network collaboration resource designed for making the most of your cyber insurance policy and critical incident management.
- Finely-grained access controls empower you – the policyholder – to efficiently manage incident response, out-of-band communications, and document storage.
