The **Insurer** may amend terms and conditions on receipt of subjectivities at their sole discretion. It is a condition precedent of liability of the **Insurer** that the **Policyholder** shall provide the subjectivities to the **Insurer** by the inception of this policy unless the **Insurer** explicitly agrees to extend the due date. It is understood and agreed between the parties that this condition precedent goes to the risk as a whole and that any breach of such condition will avoid the liability of the **Insurer** under this policy. In the event of termination, the **Policyholder** shall be entitled to pro rata return of **Premium** for the unexpired period of the policy, unless there are any **Claims**, **Insured Events** or circumstances that have been reported to the **Insurer** prior to termination, in which event the **Premium** shall be deemed to be fully earned.

American International Group UK Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and Prudential Regulation Authority (FRN number 781109). American International Group UK Limited is registered in England: company number 10737370. Registered address: The AIG Building, 58 Fenchurch Street, London, EC3M 4AB.

General Terms and Conditions

In consideration of the payment of **Premium** or agreement to pay the **Premium**, the **Policyholder** and the **Insurer** agree as follows:

1. Application of General Terms and Conditions

These **General Terms and Conditions** shall apply to all **Coverage Sections**, unless a **Coverage Section** states specifically that all or part of these **General Terms and Conditions** shall not apply to that **Coverage Section**. The terms and conditions set forth in each **Coverage Section** shall only apply to that particular **Coverage Section**. The definitions shall have the meaning given to them either in Section 10 (Definitions) of these **General Terms and Conditions** or in the **Coverage Section** they are used in.

2. Cover

The **Insurer** will provide insurance cover as set out in those **Coverage Sections** which are **Purchased**.

3. Limits of Liability

The total amount payable by the **Insurer** under this policy for the **Policy Period** for all **Loss** in the aggregate arising from all **Insured Events** covered by this policy shall not exceed the **Policy Aggregate Limit of Liability**.

In respect of each **Coverage Section**, the total amount payable by the **Insurer** under this policy for the **Policy Period** for all **Loss** in the aggregate arising from all **Insured Events** covered by that **Coverage Section** shall not exceed that **Coverage Section's Coverage Section Limit of Liability**. Each **Coverage Section Limit of Liability** is part of and not in addition to the **Policy Aggregate Limit of Liability**. Payments of **Loss** under any **Coverage Section** shall erode the **Policy Aggregate Limit of Liability**.

The total amount payable by the **Insurer** for **Loss** in respect of which a sub-limit is specified in the schedule or any other provision of this policy shall not exceed that sub-limit. Sub-limits are part of and not in addition to the **Policy Aggregate Limit of Liability** and the **Coverage Section Limit of Liability** of the **Coverage Section** which covers the **Loss**. Each such sub-limit is, unless specifically stated otherwise, for the **Policy Period** for all **Loss** in the aggregate arising from all **Insured Events** covered by this policy.

Amounts specified for the **Policy Aggregate Limit of Liability**, **Coverage Section Limits of Liability**, sub-limits and other limits are limits for all **Insureds** together, not limits per **Insured**.

4. Retentions

With respect to each **Single Insured Event**, the **Insurer** shall only pay that part of **Loss** which exceeds the **Retention**. The **Insurer** may, in its sole and absolute discretion, advance **Loss** within the **Retention**, and, in that event, such amounts shall be reimbursed to the **Insurer** by the **Policyholder** forthwith.

The **Retention** is to be borne by the **Insureds** and shall remain uninsured. In the event that a **Single Insured Event** triggers more than one **Retention**, then, as to such **Single Insured Event**, the highest of those **Retentions** shall be in effect with regard to the **Loss**.

The **Retentions** for each **Coverage Section** are set out in the schedule. The application of a **Retention** to **Loss** under one **Coverage Section** shall not reduce the **Retention** under any other **Coverage Section**.

5. Subrogation

Where any amount is paid under this policy in respect of an **Insured Event**, the **Insurer** shall be subrogated to all rights of recovery of each **Insured** (whether or not the **Insured** has been fully compensated for its actual loss). The **Insurer** shall be entitled to pursue and enforce such rights in the name of the **Insured** and the **Insured** shall provide the **Insurer** with all reasonable assistance and co-operation in this regard including the execution of any necessary documents. No **Insured** shall do anything to prejudice the **Insurer's** rights of recovery.

A **Company** may waive an **Insured's** rights to recovery against others if such **Company** does so in writing and before the **Insured Event** occurred.

6. Recoveries

In the event the **Insurer** recovers amounts it pays under this policy, the limits and sub-limits out of which those amounts are paid shall be replenished to the extent of the recovery less any costs of recovery.

Amounts recovered in excess of the **Insurer's** total payment under this policy (less any costs of recovery) shall be returned to the relevant **Insured**.

The **Insurer** assumes no duty to seek a recovery of any amounts paid under this policy.

7. Optional Discovery Period

If this policy is not renewed or replaced, the **Policyholder** shall, solely with respect to the **Specified Professions Professional Liability, Media Professional Liability and Technology Professional Liability Coverage Sections**, be entitled to purchase one of the following **Discovery Periods**:

- (i) a period of 1 year for an additional premium of 100% of the **Full Annual Premium**;
- (ii) a period of 2 years for an additional premium of 175% of the **Full Annual Premium**;
- (iii) a period of 3 years for an additional premium of 200% of the **Full Annual Premium**.

To make the purchase, the **Policyholder** must give written notice to the **Insurer** and pay the additional premium no later than 30 days after the expiry of the **Policy Period**. There shall be no entitlement to purchase a **Discovery Period** after those 30 days.

A **Discovery Period** purchased pursuant to this Section 7 (Optional Discovery Period):

- (a) shall incept at the end of the **Policy Period**;
- (b) shall not apply to any **Insured Event** covered under any renewal or replacement of this policy (or any policy providing similar cover); and
- (c) cannot be cancelled (and the additional premium charged for it shall be fully earned at its inception).

8. Claims

8.1. Notice and Reporting

It is a condition precedent to the **Insurer's** liability under this policy for **Loss** arising from an **Insured Event**:

- (i) that the **Insurer** is given written notice of that **Insured Event** as soon as practicable after a **Company's Responsible Officer** first becomes aware of it; and

- (ii) that the **Insurer** is given written notice of any circumstances that a **Company's Responsible Officer** may become aware of and which may reasonably be expected to give rise to that **Insured Event** as soon as practicable following that awareness,

but in all events, no later than:

- (a) 60 days after the end of the **Policy Period**; or
- (b) expiry of any applicable **Discovery Period**.

A notice of circumstances which may reasonably be expected to give rise to an **Insured Event** must include, to the extent known after reasonable inquiry, the reasons for anticipating the **Insured Event** and particulars as to dates, acts and the potential **Insureds** and claimants concerned.

Unless otherwise expressly stated, all notifications must be in writing:

- (A) by post and the date of posting shall constitute the date that notice was given, and proof of posting shall be sufficient proof of notice, to:

City Claims Unit – Financial Lines
AIG, The AIG Building, 58 Fenchurch Street
London, EC3M 4AB; or

- (B) by e-mail to:

Claims.PI@aig.com.

Where the First Response Cover is **Purchased** and a **Company** has notified the **Insurer** of an **Insured Event** by calling the Emergency Number specified in the schedule, then, provided the **Insurer** has acknowledged the call, the **Company** does not need to also provide written notice to the **Insurer** as set out in this Section 8.1 (Notice and Reporting).

8.2. Related Claims, Insured Events or Circumstances

If a **Claim**, other **Insured Event** or circumstance is notified in writing to the **Insurer** as required by Section 8.1 (Notice and Reporting) of these **General Terms and Conditions**, then all subsequent **Claims**, other **Insured Events** and circumstances that constitute a **Single Insured Event** with that notified **Claim**, other **Insured Event** or circumstance shall be:

- (i) deemed to have been first made (in the case of **Claims**), to have first occurred (in the case of other **Insured Events**) and to have been first notified (in the case of circumstances) at the time when that notified **Claim**, other **Insured Event** or circumstance (respectively) was first made, first occurred or was first notified; and
- (ii) deemed to be notified to the **Insurer** at the time that required or permitted notice was given.

For the purposes of this Section 8.2 (Related Claims, Insured Events or Circumstances), a circumstance which may reasonably be expected to give rise to an **Insured Event** and which is notified in writing to the **Insurer** as required by Section 8.1 (Notice and Reporting) of these **General Terms and Conditions** shall be deemed to be an **Insured Event**.

8.3. Defence and Settlement

The **Insurer** has the right but no obligation to defend any **Claim** or **Regulatory Investigation**. Each **Insured** shall have the obligation to defend and contest a **Claim** or **Regulatory Investigation** made against them unless the **Insurer**, in its sole and absolute discretion, elects in writing to take over and conduct the defence and settlement of the **Claim** or **Regulatory**

Investigation. If the **Insurer** does not so elect, it shall be entitled, but not required, to participate fully in that defence and the negotiation of any settlement that involves or appears reasonably likely to involve the **Insurer** making a payment under this policy.

If legal representation is necessary in relation to any **Insured Event**, the **Insurer** shall select a law firm from its legal panel to provide such legal representation. Should an **Insured** wish to appoint a different law firm, that **Insured** shall make the request in writing to the **Insurer** prior to retaining that law firm. Such request shall include the identity of the proposed fee earners, the proposed hourly rates for each fee earner, a summary of the firm's and those fee earners' experience in handling similar matters and a budget for the **Insured Event**. The **Insurer** shall not be obliged to agree to the request.

The **Insurer** has the right at any time after notification of an **Insured Event** to make a payment to the **Insured** of the unpaid balance of the **Coverage Section Limit of Liability** (or, if a sub-limit is applicable to that **Insured Event**, the unpaid balance of that sub-limit), and upon making such payment, all obligations of the **Insurer** under this policy for that **Insured Event**, including, if any, those relating to defence of such **Insured Event**, shall cease.

8.4. Insurer's Consent

No **Insured** shall admit or assume any liability, enter into any settlement agreement, consent to any judgment, incur any **Defence Costs** or incur any other amounts where consent is required under this policy without the prior written consent of the **Insurer** (which shall not be unreasonably withheld or delayed, provided that the **Insurer** shall be entitled to exercise all of its rights under the policy). Only liabilities, settlements, judgments and **Defence Costs** (and other amounts where consent is required under this policy) consented to by the **Insurer**, and judgments resulting from **Claims** defended in accordance with this policy or other **Insured Events** handled in accordance with this policy, shall be recoverable as **Loss** under this policy.

Notifying a **Regulator** of an actual or potential **Breach of Confidential Information** or breach of **Data Protection Legislation** will not be regarded as an admission of liability for the purposes of this Section 8.4 (Insurer's Consent).

8.5. Insured's Consent

The **Insurer** may make any settlement of any **Insured Event** it deems expedient with respect to any **Insured**, subject to such **Insured's** written consent (which shall not be unreasonably withheld or delayed). If any **Insured** withholds or delays consent to such settlement, the **Insurer's** liability for all **Loss** arising from such **Insured Event** shall not exceed the amount for which the **Insurer** could have settled such **Insured Event**, plus **Defence Costs** (and other costs covered by this policy in relation to that **Insured Event**) incurred as of the date such settlement was proposed in writing by the **Insurer**, less coinsurance (if any) and the applicable **Retention**.

8.6. Cooperation

Each **Insured** will at their own cost:

- (i) provide all reasonable assistance to the **Insurer** and co-operate in the investigation, defence, settlement or appeal of any **Insured Event** and the assertion of indemnification and contribution rights;
- (ii) use due diligence and do and concur in doing all things reasonably practicable to avoid or diminish any **Loss** under this policy; and
- (iii) give such information and assistance to the **Insurer** as the **Insurer** may reasonably require to enable it to investigate any **Loss** or determine the **Insurer's** liability under this policy.

8.7. Other Insurance

The **Network Interruption, Event Management and Cyber Extortion Coverage Sections** are written on a primary basis.

Each other **Coverage Section** shall always apply excess over any other valid and collectable insurance unless such other insurance is expressly written to be excess over the **Policy Aggregate Limit of Liability** or that **Coverage Section's Coverage Section Limit of Liability**.

8.8. Allocation

In the event that any **Insured Event** involves both covered matters and matters not covered under this policy or involves persons covered and persons not covered under this policy, a fair and proper allocation of any costs of defence, damages, judgments or settlements or other costs and expenses shall be made between each **Insured** and the **Insurer** taking into account the relative legal and financial exposures attributable to covered matters and matters not covered under this policy.

9. General Provisions

9.1. Cancellation by Policyholder

This policy may be cancelled by the **Policyholder** providing written notice to the **Insurer**. If no **Claim** has been made or other actual or alleged **Insured Event** has occurred and no circumstance has been notified prior to such cancellation, the **Insurer** shall retain the pro-rata proportion of **Premium** due for time on risk. Otherwise, the **Premium** shall not be returned and shall be deemed fully earned at the inception date specified in the schedule.

9.2. Cancellation by Insurer

This policy may not be cancelled by the **Insurer** except for non-payment of the **Premium** by the **Policyholder** or in accordance with clause 9.11 (Fraudulent Claims) of these **General Terms and Conditions**.

9.3. Insured's Insolvency

Insolvency, bankruptcy, winding up of any kind, administration, administrative receivership, voluntary arrangement or any other insolvency procedure of an **Insured** shall not relieve the **Insurer** of any of its obligations under this policy.

9.4. Authority of Policyholder

Except as provided in Section 8.1 (Notice and Reporting) of these **General Terms and Conditions**, the **Policyholder** shall act on behalf of all **Insureds** with respect to all matters relevant to this policy except if and when the **Policyholder** is in bankruptcy, winding up of any kind, administration, administrative receivership, voluntary arrangement or any other insolvency procedure, in which case each **Insured** shall act on their own behalf.

9.5. Assignment

This policy and any rights under or in respect of it cannot be assigned without the prior written consent of the **Insurer**.

9.6. Governing Law

This policy and any disputes or claims arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the laws of England and Wales.

9.7. Contracts (Rights of Third Parties) Act 1999

No person other than an **Insured** shall have directly enforceable rights under this policy, whether pursuant to the Contracts (Rights of Third Parties) Act 1999 or otherwise.

9.8. Interpretation

The descriptions in the headings and titles of this policy are solely for reference and convenience and do not lend any meaning to this policy. Words and expressions in the singular shall include the plural and vice versa. All references to specific legislation include amendments to and re-enactments of such legislation and similar legislation in any jurisdiction in which a **Claim** is made or an **Insured Event** occurs. References to positions, offices or titles shall include their equivalents in any jurisdiction in which **Claim** is made or an **Insured Event** occurs. Words in **bold** typeface have special meaning and are defined in these **General Terms and Conditions** or in the applicable **Coverage Section**. References in this policy to the schedule or a Section mean the schedule to or a Section of this policy unless otherwise stated. Wherever the word “person” or “persons” appears in this policy, it means legal or natural person or persons unless otherwise specified.

9.9. Dispute Resolution

Except as otherwise specifically provided in this policy, any dispute arising out of or in connection with this policy or its subject matter or formation (including non-contractual disputes or claims) which cannot be resolved by agreement within 60 days, may be referred to binding arbitration by either party, upon giving 7 days’ notice to the other, in the London Court of International Arbitration (LCIA), whose rules shall be deemed incorporated by reference to this clause, and the cost shall be borne equally between the **Insured** and **Insurer**. The **Insured** and the **Insurer** shall each name one arbitrator and the third shall be appointed by the LCIA. The language to be used in the arbitration proceedings shall be English. The arbitration shall be conducted by a panel of 3 arbitrators having knowledge of the legal and insurance issues relevant to the matters in dispute. The decision of the arbitrators shall be final and binding and provided to both parties, and the arbitrators shall not be asked, and shall not award attorney’s fees or other costs.

9.10. Duty of Fair Presentation

A. Fair Presentation

Prior to the inception date specified in the schedule, and a variation of this policy, the **Companies** must make a fair presentation of the risk to be insured under this policy.

A fair presentation of the risk is one:

- (i) which discloses every material circumstance that the Insurance Representatives know or ought to know; or
- (ii) failing that, which gives the **Insurer** sufficient information to put a prudent **Insurer** on notice that it needs to make further enquiries for the purpose of revealing those material circumstances.

For the purposes of this clause the Insurance Representatives ought to know what should reasonably have been revealed by a reasonable search of information available to the **Companies**, including information held by the **Companies’** agents or by those for whom cover is provided by this policy; and an Insurance Representatives is deemed to know any circumstance which he suspected, and would have known but for deliberately refraining from confirming or enquiring about it;

- (a) which makes that disclosure in a manner which would be reasonably clear and accessible to a prudent **Insurer**; and
- (b) in which every material representation:
 - (A) as to a matter of fact, is substantially correct;

(B) as to a matter of expectation or belief, is made in good faith.

For the purposes of this clause the "Insurance Representatives" consist of those who participate on behalf of the **Companies** in the process of procuring the **Insureds'** insurance together with the individuals who play significant roles in the making of decisions about how the **Company's** activities are to be managed or supervised.

B. Remedies

If the above clause 9.10. A (Fair Presentation) is breached, and, but for the breach, the **Insurer**

- (i) would not have entered into the policy; or
- (ii) would have done so only on different terms,

The **Insurer** will have remedies as against the **Companies** as follows:

- (a) The **Insurer** may avoid this policy and refuse all claims if:
 - (A) the breach is deliberate or reckless, in which event the **Insurer** may retain the premium paid; or
 - (B) but for the breach the **Insurer's** underwriter would not have entered into the policy on any terms, in which event the **Insurer** shall return the premium.
- (b) In all other cases:
 - (A) where the **Insurer's** underwriter would have charged more premium, any amounts payable by the **Insurer** will be scaled down to the ratio that the premium actually charged (the "**Actual Premium**") bears to the premium that he would have charged to assume that risk (the "**Reference Premium**"); and in addition
 - (B) where the **Insurer's** underwriter would have written the risk on different terms (other than in relation to premium) the policy is to be treated as if it had been entered into on those terms.

9.11. Fraudulent Claims

If any **Insured** shall make a fraudulent claim under this policy, the **Insurer**:

- (i) is not liable to pay any part of the claim;
- (ii) may recover from that **Insured** any sums already paid to or on behalf of that **Insured** in respect of the claim; and
- (iii) may, by notice to that **Insured**, treat this policy as having been terminated with effect from the date of the fraudulent act, in which case the **Insurer** is not liable for any relevant event occurring after that date and is entitled to receive and retain the full **Premium**.

10. Definitions

Terms appearing in **bold** in these **General Terms and Conditions** and not defined in this Section 10 (Definitions) shall have the meaning ascribed to them in the applicable **Coverage Section** for the purposes of coverage provided under that particular **Coverage Section**.

Certain terms may have different meanings dependent on the applicable **Coverage Section**. Where a term is defined in more than one **Coverage Section** it shall have the meaning ascribed

to it in the **Coverage Section** in which it appears, but that meaning shall apply solely for purposes of coverage provided under that particular **Coverage Section**.

The following terms are applicable to all **Coverage Sections** and shall have the meanings set out below:
