your risk, locally

Globally admitted Terrorism cover
in partnership with Talbot

These are just some of the ways that AIG's multinational capabilities can serve your business. For more information ask your insurance broker.

Expertise That Knows No Borders

AIG has accumulated in-depth knowledge of local markets and practices over decades. We make it our business to understand not only regulatory realities, capital, and tax concerns—but also your exposures, coverage, and proof of insurance needs, wherever you operate. AIG can provide locally admitted insurance in over 200 countries and jurisdictions through your dedicated Account team, so we can build the right multinational programme that's compliant in all your territories.

Flexible, Far-Reaching Solutions

AIG has the product breadth, ingenuity, and product to meet any risk challenge. Our capabilities range from traditional risk transfer solutions for Primary and Excess Employers', Public & Products Liability to highly specialised offerings. We'll consider all of the variables that can impact your decision to insure locally or globally, making certain we customize a multinational programme that meets your needs and preferences.

Foremost Fronting and Captive Services

AIG's captive management and fronting capabilities add extraordinary flexibility to how you can choose to manage your multinational risks. Whether you need to insure a risk not covered by the traditional insurance market, or you want to retain risk, but need to provide evidence of insurance, our captive fronting and protected cell captive (PCC) programmes can provide a custom fit solution. You can also tap into our full range of captive services, including feasibility, structuring, formation, and overall captive management.

Service Excellence Underpinned by Contract Certainty

At AIG, our dedicated multinational processes and service standards are designed to deliver timely policy issuance, regulatory compliance, country alignment, early premium allocation, optimal cash flow for captives and smooth processing of claim payments. Robust, technology-enabled reporting keeps you abreast of all aspects of your programme including document issuance, claims reporting and global premium tracking. This simpler and more consistent execution of multinational business is how AIG delivers contract certainty and governance our clients can rely on around the world.

Worldwide Claims Expertise

When you have a loss, our industry-leading claims organisation balances a quick local response with centralised coordination anywhere you need it. With over 6,000 claims professionals across our global network, our clients have comfort that in the event of a loss, AIG will be on-site to meet their needs. Payments are made in-country, where legally permissible, and clients can customise their claims handling instructions to ensure global consistency.
