

Welcome to Property Multinational

Wherever your business takes you in today's rapidly expanding world, AIG will be there to help you manage your risks with confidence—keeping your organisation safe, compliant, and protected across borders.

Confronted with expanding regulatory regimes and increasingly interconnected economies, global businesses consistently turn to AIG's renowned product range and geographical reach to meet their insurance needs. A world leading multinational insurer, we have local market expertise and on-the-ground resources that span an expansive network. And with nearly a century of experience behind us, AIG is focused on the future. Our investment in people, processes, and technology means customers today benefit from our multinational expertise and service—delivered seamlessly around the globe like never before.

AIG has been insuring the world's most complex risks for

100
years

A global network that spans

215
countries and jurisdictions

\$125 million

in claims paid every business day in 2019

More than

6,000

claims professionals worldwide, ready to serve our clients' claims wherever they occur

Our globally connected team of over

3 +

risk engineers focus on your risk, locally

Globally admitted Terrorism cover in partnership with Talbot

These are just some of the ways that AIG’s multinational capabilities can serve your business. For more information ask your insurance broker.

Expertise That Knows No Borders

AIG has accumulated in-depth knowledge of local markets and practices over decades. We make it our business to understand not only regulatory realities, capital, and tax concerns—but also your exposures, coverage, and proof of insurance needs, wherever you operate. AIG can provide locally admitted insurance in over 200 countries and jurisdictions through your dedicated Account team, so we can build the right multinational programme that’s compliant in all your territories.

Service Excellence Underpinned by Contract Certainty

At AIG, dedicated service standards drive everything from timely policy issuance and global premium tracking, to optimal cash flow for captives and smooth processing of claim payments. Streamlined, technology-enabled processes make your experience seamless, while robust reporting keeps you abreast of all aspects of your programme. This simpler and more consistent execution of multinational business is how AIG delivers contract certainty and governance our clients can rely on around the world.

Flexible, Far-Reaching Solutions

AIG has the product breadth, ingenuity, and product to meet any risk challenge. Our capabilities range from traditional property to highly specialised offerings. We’ll consider all of the variables that can impact your decision to insure locally or globally, making certain we customise a multinational programme that meets your needs and preferences.

Foremost Fronting and Captive Services

AIG’s captive management and fronting capabilities add extraordinary flexibility to how you can choose to manage your multinational risks. Whether you need to insure a risk not covered by the traditional insurance market, or you want to retain risk, but need to provide evidence of insurance, our captive fronting and protected cell captive (PCC) programmes can provide a custom fit solution. You can also tap our full range of captive services, including feasibility, structuring, formation, and overall captive management.

Claims Promise

In the event of a major claim, AIG will confirm coverage under the policy as quickly as reasonably possible. Once coverage is confirmed, we promise to provide the Policyholder with immediate working funds of up to 50% of our share of the agreed estimate within 7 days for: property damage/repairs, clean-up costs and extra expense/increased cost of working.

Confidence in Claims Handling

When you have a loss, our industry-leading claims organisation balances a quick local response with centralised coordination anywhere you need it. Technical claim specialists are located in market and deployed within hours of notice, ensuring we hand-deliver advances after catastrophic events, arrange for immediate medical treatment, or secure emergency evacuations. Claim payments are made in-country and in local currencies worldwide.* What’s more, multinational clients can customise their claim handling instructions to ensure consistent protocols across their locations.

*Where legally permissible and subject to policy language.
