Section 8 - General policy conditions

1. Assignment

This policy may not be assigned or transferred unless agreed by us in writing

2. Claim notification

All claims must be notified as soon as is reasonably practical after the event which causes the claim.

Failure to do so may result in **our** rejection of the claim if it is made so long after the event that **we** are unable to investigate it fully, or may result in the **insured person** not receiving the full amount claimed for if the amount claimed is increased as a result of the delay.

3. Complying with the policy

To have the full protection of this policy **you** must comply with the conditions outlined in 'Section 13 - Claims procedure', which are conditions of the policy. Failure to comply with these conditions may determine whether **we** deny any claim made under this policy or the amount **we** pay to **you** in the event of a claim.

4. Disclosure of information

The **policyholder** must take reasonable care to make sure that all facts and information that they provide **us** with when they take out, renew, or request changes to the cover provided by the policy, are accurate and complete. If a **policyholder** fails to exercise reasonable care, **we** will treat the policy as if it had not existed from the effective date, renewal date or date when any changes were made to the policy (as the case may be) if they:

a) deliberately or recklessly gave us inaccurate or incomplete information; or

b) did not take reasonable care to give **us** accurate and complete information in circumstances where **we** would not have covered **you** or the **policyholder** at all, had **we** known about such information. **We** will return the premium provided that the **policyholder** did not deliberately or recklessly provide **us** with inaccurate or incomplete information.

In all other cases, **we** may refuse to pay all or part of a claim, depending on what **we** would have done if the **policyholder** had taken reasonable care to provide **us** with accurate and complete information. If **we** would have insured **you** or the **policyholder** on different terms (other than in relation to premium), then the policy will be treated as if it had contained such terms. In such circumstances, **we** will only pay a claim if the claim would have been covered by a policy containing such terms. If **we** would have provided **you** or the **policyholder** with cover for a higher premium, the amount payable on any claim will be reduced proportionally, based on the ratio that the premium actually charged bears to that which **we** would have charged. For example, **we** will only pay half of the claim, if **we** would have charged double the premium.

If this policy covers more than one **insured person** and an **insured person** fails to comply with this condition, **we** may rely on **our** rights under this condition as against that **insured person**, as if a separate policy had been issued to them, leaving the remainder of the policy and the rights of other **insured persons** unaffected.

If the **policyholder** or **you** change address during the period of this policy the **policyholder** must notify **us** by contacting: AIG Direct, The AIG Building, 2-8 Altyre Road, Croydon CR9 2LG, by calling +44 (0)20 8662 8184 or by email at aigdirect.queries@aig.com.

5. Law and jurisdiction

This policy will be governed by English law. **We** and the **policyholder** agree to submit to the exclusive jurisdiction of the courts of England and Wales to determine any dispute arising under or in connection with it, unless the **policyholder** resides in Scotland, Northern Ireland or the Isle of Man, in which case the law applicable to that jurisdiction will apply and its courts will have exclusive jurisdiction, unless agreed to the contrary by the **policyholder** and **us** before the **effective date**.

The terms and conditions of this policy will only be available in English and all communication relating to this policy will be in English.

6. Policy and premium alteration

We will notify the **policyholder** of any changes to the terms and conditions, including the premium, of the policy by giving the **policyholder** 30 days' notice in writing to the **policyholder's** last known address. **We** will only make a change in order to reflect a change to the **policyholder's** circumstances, in the event of any change in the law affecting this policy, for example a change in Insurance Premium Tax, or to reflect a change to **our** underwriting approach.

If the changes are acceptable to the **policyholder** then this policy will continue.

If the changes are not acceptable, the **policyholder** may cancel this policy in accordance with 'Section 10 – Cancellation and Cancellation period'. If the **policyholder** cancels, claims made from the next premium due date following the date **we** receive notice of the cancellation will not be payable except where the event giving rise to the claim arose prior to such premium due date. **We** will return to the **policyholder** any premium already paid to **us** in advance for cover that is unused at the date of cancellation.

The **policyholder** is responsible for notifying **insured persons** of such cancellation or any changes to the terms and conditions.

7. Premium payment

The premium is payable monthly and is due on the first premium due date and subsequently on the 2nd day of each month thereafter. Each premium paid purchases cover under the terms of this policy for the whole calendar month the premium due date falls in.

If any premium is not paid on the date it is due, the **policyholder** has 30 days in which to pay it. If it is not paid during that period, the policy will be automatically cancelled from the date on which the unpaid premium was due. If the premium is paid during the 30 day period, then cover will operate as if it had been paid on the due date. No claims will be paid for any **accident** that occurs after the 30 days have passed if the premium remains unpaid.

8. Residence outside the United Kingdom

Cover under this policy cannot continue for an **insured person** who resides outside the **United Kingdom** for more than 180 consecutive days. Cover will be cancelled from the 181st day that an **insured person** resides outside the **United Kingdom**. Please tell **us** as soon as this happens so there is no overpayment of premiums.

9. Rights of third parties

Only the **policyholder**, an **insured person** (or their executor or legal representative in the event of the death of an **insured person**) and **us** may enforce the terms of this policy. The provisions of the Contract (Rights of Third Parties) Act 1999 do not apply.

10. Sanctions

We shall not be deemed to provide cover and **we** shall not be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose **us**, **our** parent company or **our** ultimate controlling entity to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, **United Kingdom** or the United States of America.

Section 9 - Upper age limit

Your cover under this policy will cease on the premium due date following **your** 70th birthday.

Section 10 - Cancellation and Cancellation period

The policyholder's cancellation period

The **policyholder** may cancel this policy within 15 days of the policy commencing or the **policyholder** receiving the policy documentation (whichever is the later). The **policyholder** may cancel this policy by giving **us** notice in writing to AIG Direct, The AIG Building, 2-8 Altyre Road, Croydon CR9 2LG, by e-mail to aigdirect.queries@aig.com or by calling Customer Services on +44 (0)20 8662 8184. **We** will give the **policyholder** a full refund of any premiums paid less any claim payments. Refunds will be returned to the **policyholder** within 30 days from the date **we** receive notice of cancellation for the **policyholder** to pass on to any **insured persons** if applicable.

The policyholder's rights to cancel the policy after the 15-day cancellation period

The **policyholder** may cancel this policy at any time by giving **us** notice using the contact details above. Cover will stop from the next premium due date following the date **we** receive notice of the cancellation.

Our right to cancel the policy

We have the right to cancel this **policy** by giving the **policyholder** at least 30 days' notice in writing at their last known address where **we** have serious grounds for doing so, such as where **you** or any **insured person** fails to pay the premium in accordance with clause 8 under section 8 - General Conditions or fails to comply with the conditions set out in this policy and such failure is either incapable of remedy or is not remedied within 30 days of receiving a notice from **us** requiring **you** to remedy the breach. **You** will receive a proportionate refund of the premium paid from the date **we** cancel the policy except where there is an instance of fraud and provided a claim has not been made during the policy period.

In the event **we** are no longer able to renew **your** cover, **we** will give the **policyholder** at least 60 days' notice in writing to the **policyholder's** last known address, in advance of the premium due date.

The **policyholder** is responsible for promptly telling other **insured persons** that the policy has been cancelled. No person other than the **policyholder** and **us** has the right to cancel this policy.

Section 11 - Fraudulent or exaggerated claims

If **you** make any fraudulent or exaggerated claim, **we** will refuse to pay the claim and **you** must pay back any benefits **you** have already received in respect of such claim. **We** may also terminate this policy from the date of the fraud or exaggeration. If **we** terminate the policy, **we** will not refund any premiums.

If an **insured person** makes a fraudulent or exaggerated claim, **we** will only refuse to pay that **insured person's** claim and **we** may only terminate the cover for that **insured person**, leaving the remainder of the policy and the rights of other **insured persons** unaffected. In such a case, **we** will not refund any premium in respect of that **insured person**.

Section 12 - Payment of benefit

Any benefit due under this policy will be paid to the **insured person** who is the subject of the claim except in the case of a **child**, when it will be paid to the **policyholder** provided that they are a parent of the **child**, otherwise it will be paid to the **child's** parent or legal representative.

Section 13 - Claim procedure

We must be notified as soon as reasonably practicable after **your** diagnosis of **cancer** of a claim, by completing a claim form and returning it to **us**. **You** can call **us** on +44 (0)20 8662 8183 to request a claim form. Lines are open between 9am and 5pm Monday to Friday, excluding public holidays.

All claims must be notified as soon as is reasonably practical after **your** diagnosis of **cancer**. Failure to do so may result in **our** rejection of the claim if it is made so long after the event that **we** are unable to investigate it fully, or may result in **you** not receiving the full amount claimed for if the amount claimed is increased as a result of the delay

We will ask for a reasonable amount of information as evidence in support of the claim at no expense to **us** including written reports prepared by each **doctor** or **medical consultant** who has treated **you** including acceptable clinical, radiological*, histological* and laboratory evidence which satisfy the medically recognised diagnostic requirements specified in this policy corresponding to that cancer.

If the information supplied is insufficient, **we** will identify the further information which is required. If **we** do not receive the information **we** need, this will affect **our** ability to assess **your** claim and **your** claim may be rejected.

We may ask **you** to attend one or more medical examinations. If **we** do, **we** will pay the cost of the examination(s) and for any medical reports and records and **your** reasonable travelling expenses to attend, if these expenses are agreed by **us** in advance. If **you** fail to attend without reasonable cause, then **your** claim may be rejected.

You must give **us** permission to obtain medical reports or records needed from any **doctor** or **medical consultant** who has treated **you**; otherwise **we** may not pay the claim.

In the event of **your** death, **we** have the right to ask for a post-mortem examination if **we** believe it necessary to assess **your** claim, at **our** expense. If this is refused, **we** may not pay the claim
