IDEAS INTO VALUE

ACCESS LLOYD'S

Part of AIG since 2018, Talbot is an international insurer and reinsurer operating in the Lloyd's market through Syndicates 1183 and 2019.

Specialising in specialising in hard-to-place risks, Talbot offers risk transfer products across a wide variety of lines including Political Violence, property, specialty and financial lines classes. It offers clients access to Syndicate and Company capacity via our Dual Stamp arrangement with AIG.

Talbot is Talbot is committed to working with brokers and clients to deliver industry leading solutions.

It is headquartered in London with offices in New York and Singapore, and over 300 people working across these three locations.

Benefits of accessing Lloyd's via Talbot

Access to Lloyd's global license framework and financial security, making it fast and easy to transact business.

Lloyd's syndication of capacity means it is well positioned to accommodate even the most complex and distressed risks.

World-leading innovation, expertise and underwriting experience is accessible and transactable in a single location – the Lloyd's building.

Lloyd's syndication of risk allows it to remain agile, even when faced with a changing global risk landscape and volatile market conditions.

Lloyd's success has been built on its reputation for paying all valid claims. The provision of excellent claims service to policyholders remains a cornerstone of the market's business.

Products and services are written or provided through Talbot Underwriting Ltd, as managing agent of Syndicate 1183 at Lloyd's (Talbot) or by other subsidiaries or affiliates of AIG. Products or services may not be available in all countries, and coverage is subject to actual policy terms. Non-insurance products and services may be provided by independent third parties. Syndicate 1183 at Lloyd's is listed on the NAIC International Insurers Department Quarterly Listing of Alien Insurers (IID-listed insurer). IID-listed insurers are not licensed and generally do not participate in state guaranty funds, and insureds are therefore not protected by such funds.

The term "AIG" refers to American International Group, Inc. property and casualty insurance operations, including related property and casualty business divisions, but not to any specific subsidiary insurance company. Licensed, surplus lines brokers may obtain products and services from Validius Specialty Underwriting Services, Inc., an AIG subsidiary and affiliated coverholder of Talbot.
