

WINNING WITH AIG

Help when it matters most

Excess Liability UK

Being subject to a claim can be a challenging and disruptive experience. However big or small, our priority is to resolve your claim as quickly as possible, whilst providing you with the personal and proactive support you need to get you or your business back on your feet.

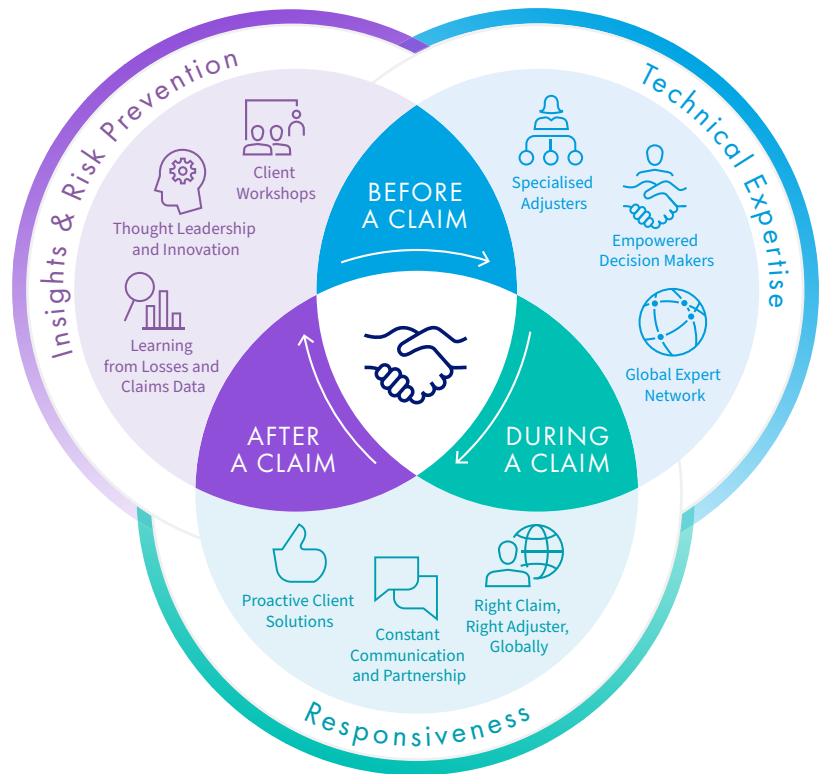

Not only will we help you when a claim occurs, but we will also help you mitigate potential claims in the first place. Through our global claims data, fraud trend analysis and expertise around new exposures, we help to reduce and manage your risks more effectively.

Giving you Confidence

With unparalleled global expertise, technical knowhow and investment in innovation, our UK award winning claims teams know the best guidance to give and the best steps to take because whatever the scenario we've seen something like it before.

Working in Partnership

In the UK, responding to a claim is never a process, it's a partnership. Thanks to our global network we can mobilise experts from around the world in a matter of hours to provide support, from coverage and crisis management to limiting your business liabilities. We work with you to share our decades of experience in emerging risks to help you avoid a loss in the first place.

Technical Expertise

At AIG we've been writing excess liability risks for over 50 years, with experts across the globe managing a wider and more varied claims portfolio than many of our competitors.

Our highly trained in house claims teams are experts in injury, product recall, disease liability and fraud. We provide onsite technical investigation training from our expert field force and our Major Loss team have the experience managing multi million pound multinational losses.

Excess Liability claims handled by the Major Loss Team

- 7 UK based adjusters handling the largest & most difficult claims
- Dealing with excess claims all over the world
- Utilise AIG local claims offices where necessary for in-country support
- Access to local AIG legal panel & technical vendors
