AIG Casualty Differentiators

Liability Risk Consulting

Our Risk Consulting Services help clients prevent losses and reduce their cost of risk. Policyholders receive access to our eLearning Health & Safety training system and tailored support from our liability risk and fleet risk management team.

Wellbeing

Employee wellbeing and mental health is under intense corporate focus. Our exclusive partnership with WellSpace can help AIG Employers' Liability clients implement and benchmark robust app-based wellbeing programmes for their employees.

Enhanced Liability Services

Some included “as standard” such as PR costs to help protect clients’ reputations after a loss. Others are optional such as our cyber liability module covering: defence costs and DPA fines from a regulatory investigation, and liabilities after a breach of confidential information.

Multinational Liability

With multinational expertise in our UK liability team and decades of experience in providing fully compliant global liability programmes for clients through our worldwide network, multinational is an exceptional area of growth opportunity.

Risk Management Solutions

Our dedicated Risk Management Solutions unit within our UK Liabilities team is focussed on the development and delivery of a range of alternative programme solutions to meet our clients’ needs.
