AIG Energy Differentiators

Claims First

- Multi award winning Major Loss claims team.
- In the event of a major claim, AIG will confirm coverage under the policy as quickly as reasonably possible. Once coverage is confirmed, we promise to provide the Policyholder with immediate working funds of 50% of our share of the agreed estimate within 7 days for: property damage/repairs, clean-up costs and extra expense/increased cost of working.

Specialist expertise

- Substantial underwriting, claims and engineering expertise in all areas of the energy industry.
- Delivering bespoke solutions for clients' core businesses and fringe exposures.

Multinational

- AIG Global Network of strong local AIG offices and top tier local insurance partners.
- Ability to handle captive fronting and wrap-around captive programmes.

Energy Loss Prevention

- Experienced risk engineers delivering expert risk assessments, benchmarking and loss prevention services on clients' sites.
- Extensive data modelling capabilities.

Cyber Health Check

- Outstanding cyber capabilities (cyber insurance and specialist risk management services)
- Health checks that analyse clients' cyber vulnerabilities (including potential property damage and business interruption).

Loss Workshops

- Analysis of clients' operations and their vulnerability to particular perils, mock loss scenarios and claims response in different parts of the clients' operations.

Energy Networking

- Provide energy clients with valuable industry networking opportunities
- e.g. energy round tables for clients to share key issues and exchange information.
