AIG Multinational Casualty Differentiators

Local Expertise and Global Reach

Our local presence and global network ensures we can support clients through the Multinational lifecycle, from pre-bind through to policy issuance and claims handling. Our global Multinational Liability expertise, underpinned by a team of risk consultants, help ensure we have the resources to understand local nuances, legislation and economies.

Bespoke servicing

Through our tiered approach, we provide service and support to companies of all sizes in line with the complexities of their exposures throughout the world. Our servicing is supported by a robust technology infrastructure that facilitates access to real time information.

Captive Fronting Expertise

We have decades of experience in Multinational Casualty captive fronting and risk transfer solutions, with more than \$385M in Casualty premium flowing through the AIG global network to captives each year, administered by our dedicated fronting teams.

Good Local Standard Wordings

Local wording reviews ensure we are clear on the coverage provided in our local policies, driving contract certainty across our global network.
